**Export Statement**

" These items are controlled by the U.S. government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations."

**Total Weight Total # Boxes**

**Certificate of Conformance:**

Incora certifies that all products are of new manufacture. Documentation from the manufacturer certifies that the product meets all applicable Government, Customer and/or Manufacturer's specific and requirements. Incora certifies that the whole of the supplies detailed hereon have been received under cover of the Release Certificate quoted above and are in the same condition as when received. This documentation is maintained on file permanently and available upon request. Product supplied has not been subjected to conditions of extreme heat, stress or environment that would be detrimental to the product. All paperwork supplied with this delivery, including the certificate of conformance, are the original documents or true copies as supplied to Incora.

**Signed:**

Angella Martin (Manager, Quality Assurance - North America)

Delivery of an electronic signature to this document shall be as effective as delivery of a manually executed counterpart hereof. We hereby certify that no returns will be accepted without INCORA Returned Material Authorization number. Only lot traceable material will be accepted for return.

Incora's standard terms and conditions can be found at <https://www.incora.com/terms-conditions> and, except as explicitly agreed by Incora and the buyer in a writing signed by both parties, shall be applicable to, and deemed incorporated into this order. These terms and conditions shall govern the order notwithstanding any terms and conditions that were included in the order by the buyer. Acceptance of the order shall be deemed an acceptance of these terms and conditions and, except as expressly agreed by Incora and the buyer in a writing signed by both parties, these terms and conditions shall supersede, nullify and void any other terms, conditions, representations, understandings, in oral or written form.

We certify that: 1. Item number 3 above is manufactured in accordance with the material and processing specifications of this order.  
 2. We certify that the material on this order conforms in all respects to the current applicable government and/or manufacturer's specification. Test reports are on file and are available for examination on all Anillo manufactured parts. All claims for errors or shortages must be made within 10 days after receipt of goods.  
 No good to be returned without written authorization. All claims for defective material must filed within 30 days of shipment to receive consideration. We do not assume financial responsibility or liability from the use of products sold, other than the replacement value of the products sold, if claimed within the specified time limit above.  
 All shippers are subject to a quantity variance of +/- 10% unless specified otherwise.
